[Bible Study Contact Information](#) which you can complete and bring with you to the Bible Study. It will provide us with the information we will need to make the weekly Bible Studies even more meaningful to you personally; (optional, of course!)

These weekly Bible Studies are intended to be non-denominational. We're not promoting any particular church or agenda. We are simply members of the Body of Christ who are interested in being a blessing to our fellow believers who want to experience more growth and a greater degree of genuine fulfillment in their spiritual life.

Our desire is to provide participants with the opportunity to be taught directly by the Holy Spirit through His written Word according to what we are shown in [I John 2:27](#) [John 16:12-15](#) and [John 15:15](#). Our passion is to see God's own grow in His grace. Our desire is to see people changed by the power of the Holy Spirit and as the result see their relationships improve and the quality of their life overall begin to reflect the love and the goodness of God. [1 Corinthians 2:9](#)! **Hope to See you there!**
